#### Introduction

We are gathered here today to give witness to the union of Mike and Madilyn in the bonds of holy matrimony. Marriage is not something that should be inter into lightly, it is a complete commitment of body, mind and soul to another individual for the rest of this spiral of life. It is a promise made before the Gods to stay with and be dedicated to one special individual. For this reason it should be entered into soberly, with a clear mind and a loving heart. With great care and forethought.

Mike and Madilyn have chosen to enter into their union following the ways and practices that are adapted from a time before Christianity. We will start by casting a circle and calling the elements and divinity to witness the ceremony. Once the circle is cast it forms a sacred space braking the circle contaminates the space and releases the energy gathered, we ask therefor that everyone stay seated until the spirits and the circle is dismissed.

After the elements are called Mike and Madilyn will join me at the alter and be united first by a hand fasting ritual and then by a ring exchange. Lastly I will dismiss the spirits and the circle.

## **Casting the Circle**

Rev. Devon starting in the North and moving clock wise, will scribe a circle around the alter and the wedding party forming a sacred space using a sword. He will the make a second round sprinkling sea salt to form a circle of sacred earth. Once complete he will make a final round with incense energize the circle and form the ritual space.

**Incantation:** O circle of power I conjure thee,

With water and earth I scribe thee. With air and Fire I empower thee. With mind and spirit I seal thee. By the power of three times three. I call thee to thy purpose As I will so mote it be.

## **Energizing the Core and Rings**

The binding cord is a sacred tradition the dates back to a time when rings where not exchanged by the couple getting married, According to the tradition once the knot is made the couple will never part as long as the not remains in the cord. [Sprinkle with holy water] with water from the heavens I cleans thee. [Sprinkle salt over cord] With the salt of the earth I empower thee, [Pass the cord through the flame of a candle] With holy fire I charge thee. [Pass the cord through the smoke to the incenses] and with air divine I seal thee to thy purpose. As I will so mote it be.

At this time O Great and Beautiful Aphrodite and Hestia we bid you give your energy to this core and these rings that they touches not just the flesh but also the spirit.

## The Hand Fasting Ritual

Madilyn and Mike I bid you look into each others eyes.

Will you honor and respect one another, and seek to never break that honor. But treat the other as your equal in all things great and small?

We will [the cord is draped over the grooms hand] And so the first binding is made.

Will you share each others pains and burdens and seek to ease them giving comfort one to the other? We will [wrap the cord around the brides hand]
And so the second binding is made

Will you share each others laughter, and joy looking always for the brightness in life and the positive in each other?

We will. [tie the cord]

And so the binding is made.

Prayer: Great Aphrodite and Hestia we bid that you place your seals upon this binding that it be not ever broken.

Madilyn and Mike, now you are bound one to the other with a tie that is not easily be broken, As your hands are bound together now, so too are your lives bound unto death. As your lives are bound unto death so too are your spirits bound through out eternity. Thrice bound are you, Bound in the flesh, bound by your spirits, and bound by your love eternal. And with that in mind and heart Mike please take this ring and place it on Madilyns finger as you repeat after me.

With This Hand
I will lift your sorrows
your cup will never be empty
for I will be your wine
With this candle
I will light your way
into darkness
and with this ring
I ask you to be forever mine.

Now Madilyn take this ring and place it on Mikes finger and you repeat after me.

I will forever be yours
and with this ring
I give you my heart
I promise from this day forward
You shall not walk alone
May my heart be your shelter
and my arms be your home.

In as much as Mike and Madilyn have been bound in flesh and spirit and have exchanged rings and vows with one another it is with great pleasure that I now pernounse them husband and wife

You may kiss the bride.

May the Great Godda
